

U.S. General Services Administration

A dark blue pickup truck is parked on the left, and a gold van is parked on the right. They are in an urban setting with buildings and trees in the background.

# Mobile Solutions for You ...

*Introducing GSA's Short-Term Vehicle Rental Programs.*

Whatever your short term vehicle needs — from one day or up to 60 days — GSA offers two key solutions to accomplish your mission.

The first — Rental Supplemental Vehicle Program (RSVP) provides flexibility and control through a Multiple Award Schedule. The second — GSA Fleet's Short Term Rental (STR) Program streamlines the ordering and procurement process for GSA Fleet customers. With both, count on faster procurement with efficient ordering and fulfillment processes.

RSVP is a perfect fit for short-term vehicle needs. RSVP provides qualified suppliers who offer low rates on all vehicles and assures best value in terms of selection, availability, and service quality. Vehicle types are available in all

types and sizes, from sedans to tractors and everything in between. All are from selected vendors guaranteeing nationwide coverage.

To find out more on the RSVP program, visit [www.gsa.gov/rsvp](http://www.gsa.gov/rsvp) or email [onthego@gsa.gov](mailto:onthego@gsa.gov). For additional information and price lists, contact the National Customer Service Center at (800) 488-3111 or email [NCSCcustomer.service@gsa.gov](mailto:NCSCcustomer.service@gsa.gov).

If you are a GSA Fleet customer, then GSA's Short Term Rental (STR) Program is your best route. You'll benefit from a streamlined, hassle-free procurement, all handled for you by GSA Fleet's knowledgeable and reliable vehicle rental experts. Save money with the lowest available rates and realize extra time savings with special conveniences,

such as handy pass-through billing onto your monthly GSA Fleet bill and the availability of easy-to-use fuel cards.

To find out more on GSA Fleet's STR, visit [www.gsa.gov/fleetsolutions](http://www.gsa.gov/fleetsolutions) or contact your local Fleet Service Representative. To submit a rental request, please call (866) 886-1232 or email [gsa\\_rental@gsa.gov](mailto:gsa_rental@gsa.gov).
