

The meeting location at L'Enfant Plaza is accessible via metro on the Green, Blue, Orange and Yellow lines.

Exit the metro train and walk toward the L'Enfant Plaza Exit (this is toward the shops).

Take the long escalator toward the promenade. At the top, go through the glass doors (front right). You will see an Au Bon Pain on the left.

Make a right at the walk way in front of Gourmet Too. Walk about half way and you will see a sign for 490 L'Enfant Plaza East. The sign is near the ceiling.

Make a left in the direction of the sign and walk up three steps. You will see a building directory on the wall.

Continue about six yards. You will see elevators on your left. Take the elevator to the 3rd floor.

Depending on the way you exit the elevator, go to your right or left and find Suite 3207 (it's a short walk from the elevators).

Once you enter the Suite, the Conference Room is 3B. You will pass the GSA Training Room, and a smaller room on your right.

Continue walking and you should enter Conference B meeting area.

Anyone driving can park at the public parking lot under the Loew's Hotel.
