NIB/NISH — Javits-Wagner-O'Day (JWOD)

JWOD PRODUCTS CERTIFIED BY "GREEN SEAL" AS ENVIRONMENTALLY PREFERABLE

There are certain business tools that make us more efficient and organized as we race through our daily commitments and personal interactions. Two of those tools are calendars and SKILCRAFT® business cards, both furnished under Javits-Wagner-O'Day (JWOD) Program. The JWOD Program creates jobs for people who are blind or who have other severe disabilities.

When you use JWOD calendar items or SKILCRAFT® business cards, you are also helping to "green" the Federal workplace. These and many other JWOD items meet or exceed the Comprehensive Procurement Guidelines established by the Environmental Protection Agency (EPA).

The JWOD Program is committed to meeting Federal environmental mandates under Executive Order 13101: "Greening the Government Through Waste Prevention, Recycling and Federal Acquisition". As part of that commitment, the JWOD Program teamed up with a private nonprofit organization called Green Seal. Green Seal thoroughly and rigorously examined the environmental attributes of selected JWOD products to ensure that they meet Green Seal's standards for environmental integrity.

The paper used to manufacture JWOD pocket planning sets, appointment book refills and "Type 2" calendars was the first in the JWOD Program to be awarded the

prestigious "Green Seal" of approval. Produced by the Easter Seal Society of Western Pennsylvania, a NISH-associated nonprofit agency, these calendars keep Federal customers on track and on time. JWOD calendars and other dated items for 2001 will be available by the end of this summer. These items may be ordered through **GSA Advantage!** or www.jwod.com.

The paper used to make SKILCRAFT® business cards includes 50% total recycled material, including 30% post-consumer fiber, and has also been certified by Green Seal. They are also printed with soy-based inks. The business cards are available in five styles, with options such as foil imprinting and two-sided printing. Employees of

Lighthouse for the Blind in Seattle, Washington, a nonprofit agency associated with National Industries for the Blind (NIB), perform the order taking and printing. This product is available through www.jwod.com or you may order directly

from the Lighthouse, a GSA Schedule holder, at (800) 799-0402; fax (206) 322-4419; Contract #GS-14F-0721G.

While JWOD paper products and many other items have long met environmental standards, certification by Green Seal documents that JWOD products meet environmental specifications. When we say our items are "green," we mean it! Look for more information on Green Seal certified JWOD products, coming soon.

**RENEWING LIVES - RENEWING RESOURCES
NISH PROVIDES THE WORKFORCE TO SATISFY THE
FEDERAL GOVERNMENT'S RECYCLING NEEDS!**

Recycle Where? At many Federal buildings and military bases across the country such as Patrick Air Force Base and Cape Canaveral in Florida to a project at March Air Reserve Base in California.

Recycle What? NISH CRPs recycle plastics, white and colored paper, glass, metal items, aluminum cans, cardboard, used oil, and batteries at locations such as Goodfellow Air Force Base in Georgia. They

sort precious metals at McClellan Air Force Base in California among others. Our Community Rehabilitation Programs (CRPs) are also involved in unique projects such as the rag recycling for Hill Air Force Base in Utah.

Recycle Awards? Our CRPs have won awards such as the Blue Ribbon Contractor Award for Recycling Services at Fort Drum in New York and the best recycling in the Air Force at Warner Robins Air Force Base in Georgia.

Recycle Now? If you are interested in recycling services, think of JWOD and renew lives while you renew resources.

If you are interested in speaking to a NISH representative about Recycling Services in your area, please contact the NISH Regional Office that serves your state via the e-mail listed below:
