

Vehicle Acquisition and Leasing

Federal Supply Schedule 23 V Vehicular Multiple Award Schedule

SMOKEY AND ALF! TO THE RESCUE!

This is the time of the year when we increase our knowledge about fire safety, and the Office of Vehicle

Acquisition and Leasing Services' Automotive Division would like to highlight its ALF (A Lotta Firetrucks) program. ALF offers a wide range of fire fighting vehicles and accessories to assist in your agency's mission.

Our fire fighting vehicles meet or exceed the National Fire Protection Association (NFPA) Safety Standards. Each base model comes with various options to customize your vehicle. The normal delivery time generally ranges from 180 to 360 days.

Under Vehicular Multiple Award Schedule (VMAS) Part 23, Section V, the following Special Item Numbers (SINs) are available:

SIN 618-01 (Includes the following:)

- Aerial/Ladder and/or Platform
- Aircraft Rescue and Fire Fighting and Crash Trucks
- Brush/Wildlands (to include brush/wildlands on Hummer chassis)
- Command Centers
- Pumpers, Tankers, and/or Pumper/Tankers
- Rescues/Hazmats
- Fire Fighting Trailers

SIN 618-03

- Custom Fire Fighting Chassis & Glider Kits

NEW!

SIN 618-04

- Wildland Fire Fighting Bodies Mounted on Government Supplied Chassis
