O

We are pleased to highlight several NIB agencies that provide quality products through GSA Global Supply. The following pages feature a few of their popular products. For additional offerings of JWOD products visit www.GSAglobalsupply.gsa.gov or www.jwod.gov for a complete selection of JWOD products.

Learn more about the JWOD program by visiting the NIB booth at the GSA Expo in Orlando or the GSA Global Supply booth (the largest supplier of JWOD products). This model program enables people who are blind, or have other severe disabilities, to work through local, community-based organizations to provide quality goods and services to the federal government. GSA Global Supply is proud to assist Federal agencies in meeting their JWOD requirements.
