Solutions for Industrial Water Problems

Quality Products

Since 1959 Amrep has been a quality producer of chemical specialties for a variety of industries, including water treatment. Now, our experience and resources have been applied to the development of new, high performance water treatment products and technologies. Maximum performance and reliability is achieved by producing products to exact specifications.

Analytical Services

AmSolv® testing equipment and highly organized analytical laboratory support structure produces recommendations for products, testing, application, dosage and control, which results in cost effective solutions for water treatment problems.

Research and Development

Amrep's extensive laboratory and research capability has been focused in designing new and innovative water treatment technologies to solve industry problems. For special problems, custom products can be developed and produced.

Superior Service

AmSolv® products are shipped from local AmSolv® dealer warehouses, or directly from AmSolv® production facilities in a variety of convenient package size and configurations, including bulk tanks.

Regulatory Compliance Support

Amrep has extensive experience working with the United States Environmental Protection Agency, U.S. Department of Agriculture, Food and Drug Administration, Occupational Safety and Health Administration and Department of Transportation to insure compliance with government regulations.

Hillyard Quality Floor Care Products At GSA Prices

Hillyard has been setting the benchmark for cleaning quality for over 90 years. Now you can purchase the Hillyard products that have been setting those high standards...at low GSA prices.

Super Shine-All® is the legendary, biodegradable, phosphate-free cleaner that's been a leader for over 90 years. Its concentrated, neutral pH formula removes a wide variety of dirt and grime without harming your floor finish. Super Shine-All delivers deep cleaning while providing a protective sheen to help preserve and protect.

Hillyard Top Shape® is a high-quality, floor polish formulated to dry to a clear, wet-look, protective shine on your floors. It has outstanding detergent resistance and Top Shape's deep gloss will only increase with spray buffing or ultra-high speed burnishing.

Hillyard Hil-Sheen® is a light color, self-polishing wax formulated with a proven formula of Carnauba and synthetic waxes, plus Ludox for added slip resistance. It delivers a deep, buffable shine that will enhance the natural beauty of your floors while it provides excellent resistance to heel marks.

Hillyard Strip-All® is a heavy-duty, non-ammoniated stripper that does an excellent job of wetting, penetrating, and emulsifying water-based waxes and polish buildups.

Super Shine-All is covered under GSA contract #GS-07F-0188K, special item #375-361. Top Shape, Hil-Sheen, and Strip-All are covered under special item #375-341. All products come conveniently packaged in ones, fives, and 55 gallon containers (poly or metal). For more information and pricing, call Jim Roth at: 1-800-365-1555 (exten. 2222), or e-mail JRoth@Hillyard.com.

We're getting great MILEAGE out of cleaning up America...

More than 250 million tires are being discarded in America every year. Innovative new products that make use of landfill waste are vital to our environment. Garland's revolutionary modified bituminous roof membrane, StressPly Plus, replaces traditional fillers with crumb rubber recycled from discarded tires. Go the distance with a Garland modified bitumen roofing system and a 30-year PartnershipSM Pledge representing our lasting commitment to quality products and services and our precious planet. Garland...service is our best product.

The Garland Company, Inc. is a 9001 certified manufacturing organization.
