Innovative & Interconnected...

International Products & Services

GSA is committed to providing quality products and services to you, OUR VALUED CUSTOMER. Thousands of our customers have witnessed the breadth of items and services we offer at our prior International Products and Services EXPOs held in California, Texas, Washington, and Georgia. Now we are inviting each of you to attend EXPO 2001 at the Orange County Convention Center, Orlando, Florida on May 22-24, 2001.

Our mission is to be the preferred source of best value commercial products and services for the federal community. EXPO 2001 is a valuable opportunity for military and civilian buyers to discover how GSA brings them the information and first-hand product knowledge to make the best purchasing decisions. This is the Federal Government's most complete learning program in one event, featuring over 100 hours of free training on topics that matter to you - knowledge you'll put to work immediately in your day-to-day procurement decisions. Don't miss out on this opportunity to contribute to your educational and strategic growth initiatives in the coming year.

We look forward to seeing each of you in Orlando, a wonderful place to visit and an exciting place for the EXPO.

Don't miss this FREE training event!
