JWOD Distributors Accept Government
Purchase Cards For Payment!

NIB/NISH — Javits-Wagner-O'Day (JWOD)

CLICK YOUR WAY THROUGH JWOD CREDIT CARD TRAINING

Have a government credit card? Use it to purchase quality JWOD products!

Here's how:

Thanks to a partnership between the Federal Acquisition Institute and the Javits-Wagner-O'Day (JWOD) Program, JWOD Purchase Card training is available online at www.faionline.com, 24 hours a day, for credit card holders and acquisition professionals. It's easy, convenient, and most importantly, free of charge. Just log in, click on the JWOD Training seminar, and you're on your way to learning about the JWOD Program!

The Purchase Card Training Seminar is designed to ensure that all cardholders receive accurate, user-friendly information about how to purchase JWOD supplies and services. By demonstrating how simple it is to buy JWOD with your government credit card, our goal is to preserve and increase jobs

for people with severe disabilities who are employed on JWOD contracts. The seminar provides exercises and true/false questions that may be used to test awareness of the JWOD Program, and offers students the ability to print out a certificate of achievement upon successful completion of the course.

In addition to being accessible online, JWOD Purchase Card Training Kits are available in a hard copy format for classroom instruction and training sessions. The kits contain a 5-minute "Government At Its Best" video, PowerPoint presentation slides, and reproducible master copies. All of the materials are designed to be suitable for loading onto your website or internal network.

To request a JWOD Program Purchase Card Training Kit, please e-mail Colleen Wade at cwade@nish.org.

NISH SUPPORT NETWORK SPANS THE U.S.A.

Whether it's across town or across the nation, NISH, a central nonprofit agency that coordinates the daily activities of the Javits-Wagner-O'Day (JWOD) Program, is available to provide support and training to our Community Rehabilitation Agencies and Federal Government agencies. The NISH Service Team is dedicated to providing user-friendly and customer-focused administrative, technical, and policy support from our National Office, six Regional Offices, and on site at our agencies. By doing so, NISH upholds its mission to create employment opportunities for people with disabilities while seeking to ensure the continued success of the JWOD Program.

Specific support functions for which NISH provides assistance include:

- Developing recording/reporting systems to ensure quality service performance, delivered on time, within budget, and in compliance with contract terms and conditions
- Reviewing project requirements, estimating required labor, supplies, and materials cost, and developing Fair Market Prices
- Facilitating agency staff development and training in all aspects of project start-up and implementation
- Establishing quality control programs
- Directing our agencies to knowledgeable consultants in specific fields
- Conducting training in all functional areas of expertise including seminars, round table discussions, training courses, and on-site training tailored to specific requirements

For more information, please contact the NISH regional office that serves your state, via e-mail at the following address:

JWOD LOGO GOES GREEN!

Looking for an easy way to identify all of the JWOD Green products that you love to purchase? Then look for the new JWOD Green logo! The new JWOD Green logo, shown here, will soon be found in GSA and commercial vendor catalogs next to JWOD products that meet the environmental requirements spelled out in Executive Order 13101 on Greening the Government. Here's a sampling of the types of products you will find carrying the JWOD Green Logo:

Paper products that are manufactured using paper stock that contains the required percentage of postconsumer fiber as determined by the Environmental Protection Agency:

Cushioned Shipping Boxes for flat electronic items. This 9 x 6 x 2-1/2" folded, convoluted pack accommodates generally flat items such as circuit boards, electronic modules and tubes. Modified triple slide style. Maximum weight of box and contents is 95 lbs. For preserving, handling, shipping and storing serviceable and repairable items, this corrugated, weather-resistant, fiberboard box with cushioning is reusable. Contains 40% postconsumer material. NSN# 8115-00-101-7647

And, coming soon to GSA *Advantage!*...100% Recycled Notepads! Paper and pad backing are all 100% Recycled Content, 100% Postconsumer Fiber and Process Chlorine Free. White ruled, tape top.
NSN# 7530-00-NIB-0558, 5" x 8"
NSN# 7530-00-NIB-0559, 8",5 x 11.75"
NSN# 7530-00-NIB-0560, 8.5" x 14"

Cleaning solutions whose chemical formulas meet "Environmentally preferable" criteria as spelled out in EO 13101 by having "a lesser or reduced effect on human health and the environment when compared to competing products or services that serve the same purpose":

SKILCRAFT Biodegradable Cleaner and Degreaser. This 22 oz ready-to-use, all-purpose alkaline liquid detergent is for cleaning walls, woodwork, linoleum, molding, ceramic tile, porcelain, blinds, stainless steel and more. Comes in a spray bottle. Biodegradeable. NSN# 7930-00-357-7386

Products made from recycled materials:

SKILCRAFT 100% Recycled Writing Pencil. Easy sharpening pencil, comprised of 100% recycled material. No. 2 (Medium) lead, with eraser. NSN# 7510-01-357-8952

Biobased products

Industrial or commercial products that utilize biological products or renewable domestic agricultural or forestry materials:

Coming soon to GSA *Advantage!*...SKILCRAFT Biodegradable Pen. Retractable pen whose body, clip and plunger cover are made from cornstarch. Biodegradable, combustible, recyclable.

NSN# 7520-00-NIB-1334, 1 doz. Black, fine point
NSN# 7520-00-NIB-1335, 1 doz. Black, medium point
NSN# 7520-00-NIB-1336, 1 doz. Blue, fine point
NSN# 7520-00-NIB-1337, 1 doz. Blue, medium point

All of these JWOD Green products are available on GSA *Advantage!* (except of Biodegradable Pens and 100% Recycled Notepads which are coming soon!) and through commercial vendors on GSA schedules. Remember to look for the new JWOD Green logo for all your Green purchasing needs!

F U N C T I O N S

Did you know...

Ice always melts at 32°F, but water does not always freeze at 32°F. It must freeze onto something. However, at -40°F, waters freezes spontaneously. If you poured a cup of water out of a window with the air temperature outside at -40°F, the water would freeze before it struck the ground.
